Financial Advisory Network

Accounting for Collaboration

Webinar

3rd July 2024, 9.30 am – 1pm 10th October 2024, 9.30 am – 1pm

Purpose

This course, aimed at finance professionals, will cover the principles of group accounting and the practical steps needed before and after year end to support a smooth closedown and audit. The course will cover treatment of acquisitions, disposals and changes in ownership and control, plus give practitioners the opportunity to share best practice.

This is part two in a series, part one goes into the practicalities of alternative service delivery.

Learning Outcomes

This session will empower participants to:

- Consolidate group accounts for the first time;
- Confidently treat common transactions;

Participants will also receive a workbook of exercises to practice at their pace.

Who Will Benefit

Finance professionals with a responsibility for producing group accounts.
